MEMORANDUM FOR:

D/DCI/NIPE

SUBJECT:

Annual Report to the President's
Foreign Intelligence Advisory Board

1. I am forwarding herewith the DD/S&T contribution to the Agency's annual report to the PFIAB covering FY 1965 as requested by the 30 July memorandum from the Executive Director-Comptroller.
2. In arranging this material, I have been guided by the composition of last year's PFIAB report as well as by the reporting outline attached to the 30 July memorandum. The pages of the various sections have been set up to facilitate integration with other Directorate contributions and, if appropriate, for duplicating their use in other parts of the report such as in Section J. The governing directives and agreements relating to the various functions of the DD/S&T are contained in Section J following the procedure established last year.
3. The Office of the Director of Communications coordinated a contribution for Section I with our Office of Research and Development. However, to avoid duplication, it has been agreed that the DD/S contribution will include this material.
4. Should additional material be required or if you have any questions regarding content, please contact [REDACTED] on extension Red-1987.
